

# VHF/UHF Frequencies used by military entities in the Mid-Atlantic (MD/DE/DC/VA/PA/NJ)

Revision: 31 December 2024

Compiled by Ron ([mdmonitor1@verizon.net](mailto:mdmonitor1@verizon.net))

- These are frequencies that have been reported on various lists, in open source documents or heard by myself or local listeners. NO CLASSIFIED INFORMATION HAS KNOWINGLY INCLUDED IN THIS LIST..
- Some of the frequencies listed may not be currently active. I have left them in the list in case they are re-used.
- I've included A-A freqs for selected units outside of the Mid-Atlantic such as some of the military flight demonstration teams as they can be used when these unit's aircraft transit through the Mid-Atlantic area.
- Thanks to listener JETWASH, in Virginia, who keeps us updated on local ARTCC frequency changes.
- All freqs are AM mode unless otherwise noted.

## ABBREVIATIONS

A-A	Air to air/interplane
AAF	Army Air Field
AR ###	Aerial Refueling area.
AFB	Air Force Base
AMC	Air Mobility Command/Reach flts
ANG	Air National Guard
ArNG	Army National Guard
ARTCC	Air Route Traffic Control Center
FACSFAC	Fleet Area Control & Surveillance Facility
RCAG	Remote Communications Air/Ground
TRACON	Terminal Radar Approach Control

## FREQUENCY LIST

30.100 Helo A-A-NJ area (FM)  
30.150 HMX-1 Base Ops (FM)  
31.300 Helo A-A-NJ area(FM)  
32.500 Helo A-A-NJ area (FM)
